Dual Language Spanish Immersion Parent Commitment

In order to create an effective and sustainable Dual Language Spanish Immersion program, CPCS has made a financial investment and commitment to the program by obtaining the staff, professional development, curriculum, and classrooms to continue an excellent Dual Language Immersion program.

This partnership requires a commitment from our parent community. As such, we are asking families who see the value and benefits of an immersion program to walk in agreement with us during your child's elementary and middle school years.

Please read the statement below and sign if you are in agreement with the criteria and commitment necessary for a successful Spanish immersion partnership at CPCS.

- I understand that my child's enrollment in the Dual Language program is subject to current and past teacher recommendations as well as approval from the Student Services Director.
- I understand that if I withdraw my child early from the immersion program, a seat in an English-speaking class is not guaranteed and will depend on available space.
- I understand that if I withdraw my child early from the immersion program at the middle school level, the student will be following an English-track schedule and there will be no in-between options for language classes.

Student Name: _____ Entering Grade: _____

Parent Signature: _____ Date: _____

By signing this agreement, I am committing to partner with CPCS in the pursuit of an excellent Dual Language program and I agree to abide by the criteria and requirements listed above.
